Dear Bill,

Thank you very much for your letter of 12/13. I'm kinda late answering.

So glad to get all of the Christmas card & letters written. I use to receive them, of course.

I'm happy to send Wesley's sermons. Sent 3 today & shall send more. I really appreciate you sharing the Kingdom message with others.

I'm glad you are in touch with Jeannet Snypas. She is a remarkable "girl" & good friend.

Clifton Erakisea does remarkable in depth research.

We had a delicious & happy Christ-mas in San Diego with family. I'm always glad to return to our desert where there is less traffic. Our elevation is 3400 ft. and we used to get snow, but haven't the past few years. Our rain total for Dec. was 0.67 in.

We have a lot of air traffic from Edwards Air Base & plants just south of us. Watching the stealth bombers & fighters is always exciting.

I should like to hear of your home & family.

May God specially bless you,  
Sorraine
